Gluten While we take great care to avoid cross contamination our kitchens are busy and small and we cannot guarantee our gluten free burgers are suitable for people with coeliac disease. Please note that our chips are currently fried in the same oil as products that contain gluten. BUDS vegan patties are gluten free, however the plant-based chicken and nuggets both contain gluten.

Halal While our beef supply is halal, please note that it is cooked on the same grill as bacon. Our fried chicken is 100% halal.

Nuts No menu items contain nuts, however some of the ingredients we source such as mayo carry the warning 'may contain traces of nuts'
